

# BLACKVIEW

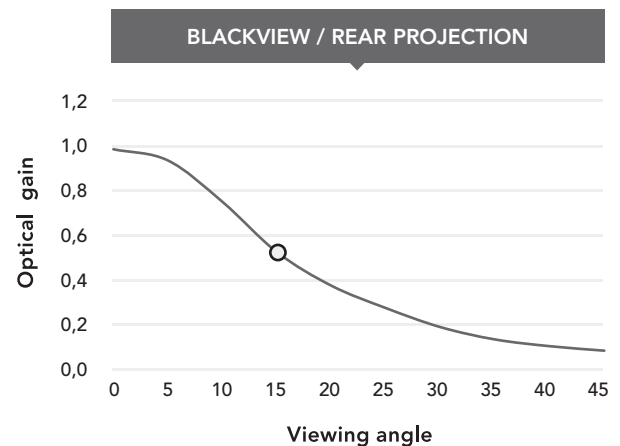

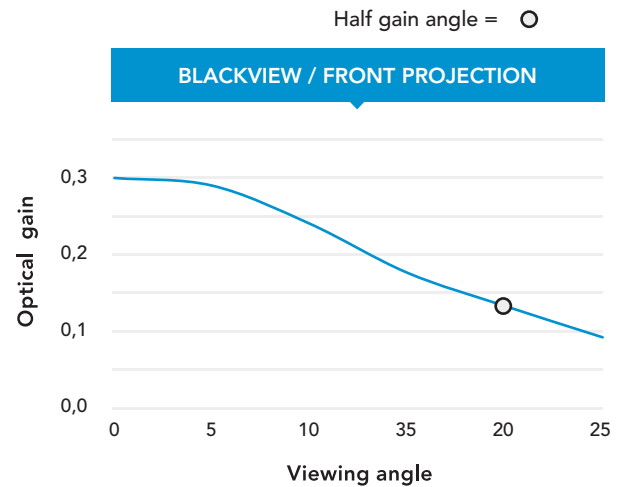

## DUAL PROJECTION BLACK SCREEN

**BLACKVIEW** is a black translucent surface. It offers increased depth of field and excellent color contrast. It blends well with sets or decors and is well suited for venues with high ambient light or when follow spots are used. Can be used for front or rear projection.

*Applications include: Home Theatres, Ballet and Opera houses, Advertising, Pubs & bars, Control Rooms, Outdoor Projections.*

| TECHNICAL SPECIFICATIONS |   |  |
